There are links throughout the survey to obtain additional information about the specific question. Click on [show results](#) which will then list the answers to the questions.

Please note that the averages that Survey Monkey provides for this survey are not particularly useful, as the most helpful way to visualize information is across the responses. We provided this information in several charts which were handed out during the *DVRPC Diversify Your Revenue: a Workshop for BIDS* held on October 5, 2011 in Collingswood NJ.

If you would like to receive a copy of those charts, please contact me directly at donna@heritageconsultinginc.com and we will provide them free of charge.

Please contact us if we can be helpful to your downtown organization.
